

Definition Essay Self Review

Instructions: Read your OWN PAPER, including the comments your peer provided, and answer the questions below.

My thesis statement. Copy it here, OR write a new thesis if you didn't have one or it was in the wrong form.

Look at your paper OVERALL. What did you do really well in your essay? (This could be a very strong thesis, clear organization, excellent control of grammar, use of a variety of sentence structures, etc.)

What needs to be improved in your essay?

List THREE specific items that you will ask for help with when you go to the tutoring center.
